Unique, vivid and contemporary styles, skilfully handmade by fusing together different colours of molten glass and textured obscure glass.

 L'effet est un dessin moule au doux, apportant au vitrage des couleurs en profondeur et un style vif, contemporain et audacieux.

 Der Effekt ist ein einzigartiges Design mit weichen Übergängen, das die Glasfarbe und die Türfüllung durch plastische, klare und zeitgenössische Stile lebendig erscheinen lässt.

Please Note: Fused designs are made using molten glass which may contain minor imperfections as part of the creation process which contribute to the unique nature of the design.
